*The Gentlemen's King Bed exudes timeless sophistication with a touch of polo club elegance. Crafted with a solid wood frame in a rich dark brown finish, it features a large top grain leather headboard with square stitching for a luxurious statement. The leather extends around the wooden base, complemented by gold metal accents that add refined detail. Designed with a slatted base, it eliminates the need for a box spring. This king-size bed is both functional and striking, making it a centerpiece for any bedroom.*
