Gareis Indoor-Outdoor Coffee Table

SKU: 51121

Crafted from hand-assembled segments of solid teak, this oval coffee table is a masterpiece of organic texture and sculptural form. The mosaic of cross-cut grains and natural knots creates a rugged, one-of-a-kind surface that brings the raw beauty of the outdoors into your living space. Solid wood will continue to move with temperature and humidity changes, which can result in small cracks and uneven surfaces, adding to its authenticity and character. Suitable for both indoor and outdoor use.
