

# PowerCool Pillow

The PowerCool Pillow's breathable design features Bamboo Charcoal Memory Foam that is ventilated to improve air circulation and ensure your pillow stays dry. In addition, its Cooling Knit Fabric Cover provides a cooling sensation throughout the night. Side, back, and stomach sleepers can all benefit from this ergonomic design, crafted to adapt to your head's micro-pressure points for a deeper, more regenerative night's sleep.

## Benefits & Features

1. Cooling Knit Fabric Cover
2. Bamboo Charcoal Memory Foam Fill

27 x 15 x 6 in.
