

# SDHW1532PNR

33.75" x 14.75" x 18" (H x W x D)

15" wide shallow depth built-in undercounter wine cellar with panel-ready glass door, stainless steel interior, black cabinet, lock, and digital controls

**Highlights:**

- Unique 18" shallow depth for an easy fit in kitchen islands
- Just under 15" wide for an easy fit, with a flush back design to save space
- Panel-ready door trim lets you blend the unit into your own cabinetry

**Product Features:**

|                                         |                                                                                                                                                                                       |
|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 15" Wide Wine Cellar                    | Single zone wine cooler for residential or commercial storage                                                                                                                         |
| 18" Depth                               | Unique 18" shallow depth is ideal for wet bars, island kitchens, and other undercounter areas with limited footprint space                                                            |
| Built-in capable                        | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                             |
| Commercially approved                   | ETL-S listed to NSF-7 Standards and meets UL-471 for use in commercial establishments                                                                                                 |
| Versatile design                        | Innovative panel-ready bracket kit allows easy custom panel installation, but can also be removed cleanly if you redesign your space and prefer the look of stainless steel door trim |
| Panel-ready door trim                   | European style articulating door hinge and bracket kit allow easy installation of custom door trim panels to match adjacent cabinetry                                                 |
| Double pane tempered glass door         | Elegant design offers a clear but protected view of your interior                                                                                                                     |
| Ideal temperature range                 | The unit's temperature range of 41° to 68°F is ideal for red, white, or sparkling wine bottles                                                                                        |
| Fully articulating European style hinge | Smoother opening and a better fit with an integrated European hinge                                                                                                                   |
