CH708

Availability: In Stock

DESCRIPTION

Some of the most important moments in life happen in occasional chairs. Imagine our Daniel Stationary chair holding a mother reading to her child, girlfriends gathering around the sofa sharing a bottle of wine, or a young couple exchanging holiday gifts and you get the picture! A slightly slanted back and enveloping arms add to the chair’s comfort, while we’ve made it flexible by slipcovering it in a choice of five different colors. We offer the Daniel in a swivel version.
