BROWN JORDAN™

A streamlined, modern design that emphasizes versatility and comfort, the Oliver collection Counter Height stool is 39.5 inches high and meshes beautifully with other pieces in the collection and with statement pieces. The stool is also available at bar height.

A low-profile, angular aluminum frame fabricated from extruded, custom cast, and solid metal elements cradles the Counter Height Stool's bucket seat, suspending it as if in mid-air. In addition to highlighting Brown Jordan's unrivaled expertise in metal craftsmanship, the design showcases our innovative use of woven rope. This durable, heritage material - a modern updated look to wicker - is handwoven onto the actual frames by skilled artisans in Indonesia. Completing the look, impeccably tailored

cushions hug the curves of the rope seat and cosset the body in luxury.

Oliver comprises 10 cushioned pieces that can be floated confidently and effortlessly in any setting.
