Clea Console Table Heritage Brown

A solid oak edge frame, drawing a clean line against the wall. Solid oak legs and an edge frame surround an oak-veneer top, giving the Clea console a quiet architectural presence in entryways, hallways, and living rooms. A rich Heritage Brown finish deepens the natural oak grain, while crisp mitered edges and a slim silhouette keep it reading light. Long and narrow for an entry, a hallway, or behind the sofa—ready to use, no assembly required.

- Defined by the Edge: A defined solid oak edge frame gives the slim console a modern, architectural shape that reads light against the wall.
- Heritage Brown Oak: Solid oak legs and frame surround an oak-veneer top, with a rich Heritage Brown finish that deepens the natural wood grain throughout.
- Crisp Mitered Edges: Crisp mitered edges and considered proportions lend stability and a refined finish, with the solid oak frame holding everything square and true.
- Ready for Any Spot: A long, narrow top suits an entry, a hallway, or behind the sofa, with a smooth-gliding drawer for keys and small essentials.

Item Code	EF-1036-24
Swatch Code	
Country Of Origin	VIETNAM
Product Materials	Top and Panel: Oak Veneer Over MDF, Leg and Edge Frame: Solid Oak, Drawer: Engineered Veneer Over Plywood, Glides: Metal
