

Crafted with a sophisticated Black Oak finish on select hardwoods and veneers, complemented by iron-finished bar pull hardware, the Millie Storage Cabinet exudes modern elegance. Featuring three adjustable wood-finished shelves and one fixed shelf, along with two full-height wood-finished doors, it offers ample storage space for your belongings.

The cabinet's black finished shelves and back panel add a contemporary touch, while adjustable floor levelers ensure stability on any surface. With its versatile design and sleek aesthetic, the Millie Storage Cabinet is the perfect addition to any home or office space, providing both style and functionality in one elegant package.
