Royal Black Queen Bed (4 Boxes)
70.5" W x 89" D x 87" H • 36.12 CUFT • 308 lb.

Create a bedroom sanctuary you never want to leave with this Royal velvet bed at its center. Justly named, this bed has a regal look that's fit for a king (or queen). Stunningly crafted, the Royal bed features a canopy that towers over the top of the bed for a modish take on a timelessly affluent design. Deep tufting adds a textural look while the soft black velvet upholstery shores up the bed's sophisticated design.
