**Collection** Gather around the welcoming and functional design of the Playa 7-Piece Standard Height Dining Set. Built with durability in mind, this set features quality materials optimal for outdoor use, like aluminum framing and weather-resistant olefin upholstery. A dining table in a versatile black finish features a slatted tabletop designed to prevent water from pooling, while chairs with detachable foam cushions and aesthetic open arms offer a comfortable place of repose for your guests. For a modern and refined update to your outdoor area, the Playa 7-Piece Standard Height Dining Set delivers in durability and style.
