BUTLER
SPECIALTY COMPANY

EST. 1930

**Lark**

The minimalist design of this stylish desk makes it an ideal addition in any contemporary space. Crafted from acacia or pine wood solids and engineered wood products, it features two drawers with ring pulls, for a hint of glam, and ball bearing glides for easy opening and closing. Great for use in an office, living room or bedroom, and it is scaled for smaller spaces. Available in white, navy, and a natural wire brush finishes.
