

WILDWOOD CHELSEA HOUSE

490799 • Arcade End Table

25.5h x 25w x 16d

Wood

White Gesso

The Arcade End Table is a masterpiece of architectural design. Inspired by classic arcade architecture, this console features gracefully curved arches that create a striking silhouette, adding a touch of timeless elegance to any space. The white gesso finish enhances the piece's sculptural quality, giving it a smooth, matte texture that beautifully complements its refined form. This end table offers both style and functionality, providing a sophisticated platform for displaying decor while enhancing your home's aesthetic with its artful design.
