Tron Rechargeable Accent Lamp

SKU: 30690-1

The Tron Rechargeable Accent Lamp features a sleek iron base finished in plated brass, complemented by a frosted acrylic pillar that casts a soft, ambient glow. Combining sophisticated style with cordless convenience, this portable lamp includes a touch dimmer on the base for effortless brightness adjustment. No bulb is required—the integrated 3000K LED system delivers warm, inviting illumination and provides up to 50,000 hours of long-lasting performance.
