

KITCHEN VENTILATION SYSTEMS

Under Cabinet - Glide Out

XOC

The XOC may look like other minimal profile range hoods but that is where the similarity ends. This powerful, versatile unit glides flush with your cabinets to reveal only a thin stainless steel band when closed but unlike other systems, the blower and lighting are fully functional whether or not the expanded filter slide is open or shut. One more practical and beautiful innovation from XO.

XOC Spec Sheet

Under Cabinet - Glide Out

2 YEAR
PARTS & LABOR
WARRANTY

Model: XOC30S, XOC36S

Size: 30", 36" **Depth:** 12 1/16" (17 15/16")
