

# Chasm Media

## Caracole

This three-door media console is distinguished by its offset oval, see-through chasm on the bottom left of the chest. The chasm softens the look of this modern linear piece with its curves and shimmering Brushed Gold paint. The console's outside is finished in Ivory Craze crackle paint, lending a stone-like quality to the piece. Three touch-latch doors have asymmetrical oval cutouts in Taupe Silver Leaf. The interior is finished in Almond Milk with three adjustable shelves and wire management access. The piece has a base in Brushed Gold paint.
