

# STAINLESS STEEL 36" ISLAND MOUNT HOOD

JVI0636LS

## Signature Features

### QUIETER THAN THE LEADING LUXURY HOOD BRAND

Quieter than the Leading Luxury Hood Brand. JennAir® hoods help keep the sound down in the kitchen to create a quieter atmosphere for conversation.

### 3-SPEED, 585 CFM MOTOR CLASS<sup>1</sup>

Three fan speeds plus a booster option provide a range of ventilation power to accommodate your precise cooking needs.<br><sup>1</sup> Performance varies based on installation. Resources available at aham.org.</sup>

### BACKLIT BUTTON CONTROLS

Tactile button controls eagerly respond to your touch, allowing you to change speeds at a push. Each button glows softly when activated.

### LED STRIP LIGHTING

Light up the night. Strips of bright, long-lasting LEDs run horizontally along the underside of the hood, illuminating the cooking surface below.

### ISLAND MOUNT HOOD

Accommodates ranges and cooktops installed in kitchen islands and peninsulas.

### BOOSTER FUNCTION

Helps clear the air quickly by raising the fan speed to its highest possible setting for 5 minutes, helping to rid the kitchen of smoke and steam.

### MODERN T-SHAPE DESIGN

Modernize and elevate your kitchen design with a sleek stainless steel T-shape hood. Each well-crafted system is welded and polished to a seamless finish and features simplified tactile controls for a lasting impression.

### STAINLESS STEEL DESIGN

Bask in the glow of luminous stainless steel that brings a timeless and classic, yet modern sophistication to the kitchen.

### 90K BTU COOKTOP THRESHOLD

This hood is equipped to handle the high heat and cooking power of cooktops up to 90,000 BTUs.
