### PRODUCT DESCRIPTION

A mid-century modern update to a retro classic, this sectional is generously adaptable. Its combination of skillfully matched leather and faux leather upholstery exudes luxury and elegance. Deep seat cushions with dramatic tufting beckon you to relax and unwind. Merging comfort with high-style design, this piece is in a league of its own.

- Includes 2 pieces: left-arm facing power recliner and right-arm facing power recliner
- "Left-arm" and "right-arm" describe the position of the arm when you face the piece
- One-touch power control with adjustable positions, USB-C fast charging and zero-draw USB port
- Zero-draw technology only consumes power when the USB receptacle is in use
- Zero-gravity mechanism allows optimum reclining comfort with infinite reclining positions at the touch of a button
- Corner-blocked frame with metal reinforced seats

- Attached cushions
- High-quality foam cushions wrapped in poly fiber
- 100% top grain leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Easy View™ manual adjustable headrest
- Zero wall recliner design requires minimal space between wall and chair back
- Estimated Assembly Time: 5 Minutes
