Sayan Pepper Console Table

3000-0159

Overall: 32"h x 48"w x 16"d

Finish: Light Pepper

Materials: Oak

Item Weight: 102 lb

The wire-brushed and cerused finish on our Sayan Pepper Console Table, which we call light pepper, highlights the wood grain on this oak console table. Aimee Kurzner was thinking of the natural modern trend when she designed this family of products, which was inspired by her travels in Indonesia. We have a number of Sayan designs in natural and black finishes.
