Shade: Light Beige Linen

Shade Dimensions: 14" x 15.5"h

The Verdure Table Lamp has a sophisticated vase-shaped body with a swirling green and white pattern on its surface, which recedes to a lovely stippled effect when seen from far away. The interlocking amoeba shapes only appear when one draws near the green porcelain table lamp. The thin mouth of the body sitting atop an egg shape disappears under an elongated shade. The base and finial are made of optic crystal.
