MODE'S

Cates Dream Modular Sectional Navy And Brown

No frame, no effort, no way it's this soft. Cates takes modular seating to a whole new level of comfort. Built entirely from high-density foam, shredded memory foam, and fiber fill, each piece delivers a sink-in, stay-all-day kind of feel—no hard edges, no rigid frames. The clean lines, soft back cushions, and non-slip base keep it grounded, while the smaller-scale components let you build your layout your way. Add, rearrange, or sprawl—this sectional keeps up, no matter how you lounge.

- Streamlined Style: Soft proportions and clean lines create a contemporary, modular silhouette that suits both compact apartments and expansive layouts.
- Textured Durability: Upholstered in 100% polyester with a soft handfeel and a 50,000 rub count for everyday resilience and lasting comfort.
- Frameless Comfort: High-density foam, shredded memory foam, and fiber cushions offer cozy, full-body support—without a traditional wood frame.
- Vacuum-Sealed, Small Parcel: Ships compressed in compact boxes to simplify delivery and fit through tight spaces—ideal for apartments, walk-ups, and smaller-scale living.
