

4.4 cu. ft. Compact Heat Pump Dryer

MLHE27H7BCG Charcoal Grey
MLHE27H7BWW White

Midea's 4.4 cu. ft. Compact Heat Pump Dryer is the first in our new line of space-saving laundry solutions, offering the industry's largest capacity* and optimal drying performance. This ventless dryer pairs with the matching 2.7 cu. ft. Compact Front Load Washer, and together they offer a seamless look when stacked vertically or placed side-by-side.

*Based on 4.4 cu. ft. capacity compared to other Front Load compact dryers. Comparison based on publicly available manufacturer specifications at time of analysis

4.4 cu. ft. Capacity

Perfect Pairing

When stacked vertically or placed side-by-side with the matching MLHW27S7B Washer, the front faces of both units create a flat, seamless surface.
