Wiley Dresser Natural

Your room just got its calm corner. Wiley blends Scandinavian clarity with Shaker-inspired restraint, pairing a clean silhouette with gentle geometric curves. Monolithic round legs ground the form, while scalloped edge details add a subtle wink. Crafted in mango wood with a natural finish, it brings warmth without heaviness. Smooth-gliding drawers keep everyday stacks organized, and metal handles add a crisp touch every time you pull, so the piece feels ready to live at home.

- Scandi-Shaker Lines: Geometric curves, round legs, and scalloped edges soften the silhouette, keeping the dresser light, contemporary, and calm today.
- Mango Wood Character: Solid mango wood brings natural grain, while an MDF back and drawer bottoms support the design with clean, consistent surfaces.
- Straightforward Joinery: Built with a basic butt joint in the carcass and rabbet joints in the drawers for dependable everyday structure.
- Organized Storage Pulls: Multiple drawers keep clothing and linens in order, finished with iron handles that make grabbing what you need quick.
- Open-Drawer Safety Stops: Built-in safety stops add stability, support, and tip-over prevention, bringing a layer of security to everyday use.
