

Description

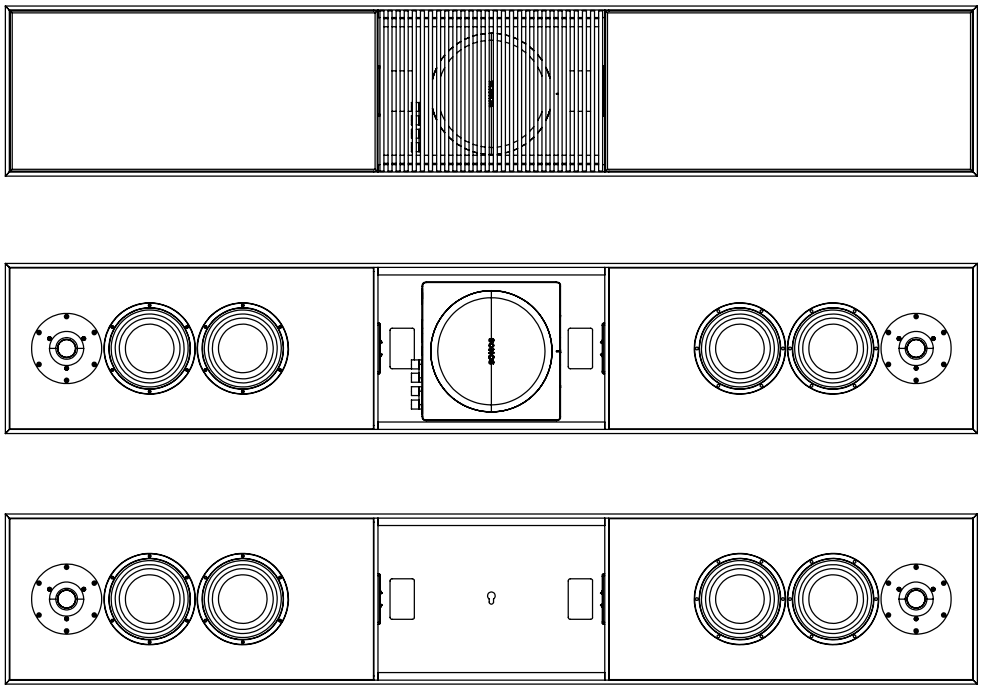

The Leon sound and style you love—powered by Sonos®. Our Ente Soundbar features reference-grade audio by Leon and power by the new SONOS AMP® in a sleek, handcrafted Baltic Birch cabinet with a stylized center grill.

Key Features

- Soundbar with Baltic Birch edge available in two sizes or custom built to match TV
- Decorative, removable, Baltic Birch grill allows easy access to center console
- Includes Leon's Ultima reference speaker system and SONOS AMP
- Ente Soundbar mounts flush to the wall using an integrated French cleat mount; call for other mounting options.
