

UTTERMOST

Bahati Wood Sculpture, Natural

SKU: 17126

This striking sculpture, crafted from 100% natural teak wood, showcases a captivating natural finish that beautifully enhances its organic texture. Set on a sleek black base, it creates a stunning contrast that elevates any decor. Perfect as a centerpiece or accent piece, this unique artwork brings a touch of nature-inspired elegance to your space. Because each is individually handcrafted, natural variation will occur from piece to piece.
