COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 42 dia x 17H

Taking inspiration from the shapely ginkgo leaf, this casually glamorous occasional table brings a beautiful balance of materials and finishes. Adorning its lustrous Champagne Pearl frame, a softly undulating apron rail draws the eye and lends fluid simplicity. A single glass shelf adds space for display, without distracting from its ash veneer top, finished in Natural Glow to highlight the exquisite wood grain. Style on its own, or bunch with Up and Over to create a captivating cocktail table.
