Type: Chests and Dressers, Highboy Chests

Category: Bedroom

Collection: Catalina

Number of Drawers: 5

Style: Transitional

Finish: Light Wood

Brand: Drew & Jonathan Home

**Product Description:** Crafted from mid-tone brown distressed wood, the Catalina Chest is a vertical six-drawer dresser with floating design and no shortage of storage space. Two self-closing top drawers are situated atop four full-width stacked drawers, all sanded, sealed, stained and lacquered on the inside and affixed with custom black metal hardware on the outside. The bottom-most drawers also features a fixed cedar drawer bottom. A square-tube metal base finishes off the clean, modern look with ease. Mix and match the Catalina Chest with other pieces in the Catalina Collection for perfectly coordinated bedroom style.

**Collection Features:** The Catalina collection offers a casual design profile that mirrors Drew and Jonathan’s current Southern California lifestyles. The collection includes low profiles with classic angles and natural finishes. Highlights of the bedroom pieces include an upholstered, low platform-style bed with a fabric headboard and a wood-panel bed. Coordinating case pieces include a dresser with linear metal hardware and metal base, an accompanying mirror, and a two-drawer nightstand.

**Finish:** Light wood distressed finish with custom black metal bar pulls and black metal base

- Features:** Six drawers  
Self-closing top two drawers  
Metal base  
Floating top design  
Custom hardware  
Cedar-lined bottom drawers  
Sanded, sealed, stained and lacquered drawer interiors

**Material:** Split Heart Oak Veneers and Metal

**Drawer Construction:** Drew & Jonathan Home offers full height, full depth and full width drawers for maximum storage capacity. All drawers have strong, time-tested English or French dovetail construction, for years of problem-free use. Plywood drawer bottoms are attached to plywood drawer sides for strength and durability. Metal side guides or wood on wood guide systems operate smoothly.

**Frame Construction:** Drew & Jonathan Home uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

**Cleaning Information:** L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
