

HC20SS

5.5" x 20" x 20" (H x W x D)

20 inch wide under cabinet convertible range hood for ducted or ductless use in stainless steel, made in North America

Highlights:

- 20 inch wide pairs well with a variety of ranges and cooktops
- Made in North America in a TAA designated country
- Stainless steel construction for a professional look

Product Features:

Under cabinet range hood	Low profile design offers classic style to finish your kitchen
20 inch width	Sized for use over 20 inch cooking surfaces (additional sizes available)
Convertible design	Can be used for ducted venting to the outside or recirculating ventilation where no external venting is possible
Stainless steel finish	Real stainless steel with a horizontal grain for a clean, professional look
Easy conversion	Ships pre-set for recirculating mode but can be converted in a few simple steps
Versatile top or rear exhaust	Ships for standard 3 1/4" x 10" vertical or horizontal exterior venting and convertible to a 7" round vertical venting without transition
Angled airflow	Vents are set at a slight upwards angle, ensuring smoke and odors won't be directed towards the user
Steel construction	Powder-coated finish over a 21 gauge steel design for lasting durability
Two-speed fan	High and low setting to allow proper ventilation of your kitchen as needed
