GARRISON DOOR BUREAU

Starting with a design concept that called for capturing the beauty and unique character of different wood species, the Cascade Collection features style built around materials and textures. Clean silhouettes like the Garrison Door Bureau offer a dresser option that adds the benefit of a door that conceals shelf storage in an attractive asymmetrical layout. Behind the door are two adjustable (or removable) shelves and the top two drawers feature removable dividers making organized storage its greatest feature.

- Four drawers, one door, top two drawers have wood dividers, two adjustable shelves behind door, hand holds in back of case, cord exits
- Alder & Oak

Solid Wood - Made using genuine solid wood construction

Electrical Cord Management - Electrical outlets built in for convenience
