Sunseeker 3 Piece Outdoor Lounge Brown Stripe

Consider this your outdoor lounge that refuses to be stuck in one spot. Sunseeker's 3-piece lounge is lightweight by design, so you can pick it up, reconfigure it, and follow the best light as the day goes on. Tufting and piping add a tailored finish in brown stripe, while an aluminum frame and quick-dry foam keep it ready for real backyard use. When you want your space back, the pieces fit together to stack and store cleanly.

- Laid-Back, Finished: Tufted cushions and piping bring a neat outline to a relaxed lounge profile, designed to look composed from every side.
- Outdoor-Ready Fabric: 100% acrylic upholstery in brown stripe pairs with quick-dry foam, making the set feel comfortable through splashy, sunny days.
- Lightweight Structure: Aluminum framing keeps each component easier to move and position, without sacrificing the steady support you want for lounging.
- Configures And Packs Away: The set connects with coordinating pieces for flexible layouts, then stacks and stores when you're done chasing the sun.
