Complete your perfect look by mixing and matching your decor with the extensive range of products from Butler Specialty Company! Discover endless possibilities to express your style and create a space that truly feels like home.
All our bone inlay products are made from either camel bone or water buffalo and strictly adhere to all guidelines for the ethical treatment of animals. The bones are sourced from animals who have died of natural causes and all materials are certified by local authorities. The practice also happens to be sustainable since it recycles bone from both local and nearby countries that would otherwise consider it waste material.
Weight Capacity: 1 lbs
To clean, wipe clean with a clean dry cloth and dust regularly. If spills occur, wipe spills with a damp cloth and dry immediately. No abrasives or household cleaners which can damage the wood. Drink coasters are recommended
