ITEM # 267-400R

QUAD BOOKCASE ENTERTAINMENT DISPLAY - COMPLETE

Structures

In this 106 inch long configuration, the Structures wall system features open shelf display in the center. The shelves are all adjustable and removable. By removing the shelves in the center unit, the system can be used for a television with an opening that is 47.5" wide. Additionally, the left and right side doors come standard with both glass and wood panels that can be easily changed out.

- Birch veneers and select hardwoods
