

Cabinet #45019 Assembly Instructions

Hardware Included

A	TOP PANEL		1 PC	C	ALLEN BOLT		4 PC
B	STAND		1 PC	D	ALLEN KEY		1 PC

ASSEMBLY STEPS -

1. Carefully unpack the contents of the carton.
2. Place top panel upside down position as shown (figure 1)
3. Attach stand into predrilled holes, and tighten allen bolt by using allen key (figure 1)
5. Carefully lift the cabinet, turning it around once it is off the ground in order to prevent any damages (figure 2)

WARNING: Please note that the process of returning the cabinet to its upright position requires at least 2 people. It is not recommended to lean the furniture against the stand for leverage or support as it may cause damage to the stand.

CARE INSTRUCTIONS -

1. Cleaning with soft cloth.
2. Do not use abrasive cleaners, chemical cleaners or polishes.
