## Fletcher Outdoor Coffee Table Brown

Fletcher keeps it low-key, with solid teak construction that brings quiet strength and natural warmth. Made from solid teak and finished in a toasted tone, it balances substance with softness. A slatted top plays with proportion, mixing wide and narrow planks for texture that feels thoughtful. Slatted, grounded, good to go.

- Solid Teak: Crafted from sturdy and durable solid teak that withstands the elements.
- Dark Toasted Brown Finish: The rich, dark toasted brown finish enhances the natural beauty of the teak wood, adding warmth to your outdoor space.
- Slatted Top: An alternating pattern of large and small slats on the tabletop create visual interest and a captivating texture.
