

MEDIUM | EURO TOP

- Knit fabric that stretches in four directions, allowing you to get the most out of the comfort layers in your bed.
- Quilt foam layer is super soft and provides cloud-like comfort for your body.
- Medium-firm upholstery foam provides cloud-like comfort throughout the sleep system.
- The VertiCoil system features a strong perimeter and consistent coverage across the entire surface of the bed and helps reduce sagging and roll-off.
- High-density fiber pad that provides stability, and support to your mattress.
