Nera Bookcase Brown

Storage that deserves to be displayed. Nera softens the standard bookshelf silhouette with sculptural curves and a warm mahogany finish. Rounded sides and gently arched shelves mirror each other for a cohesive, elevated look. With four spacious tiers and a design that feels just as thoughtful empty as it does filled, it's functional, foundational, and totally shelf-assured.

- Cohesive Curved Shelving: The bookcase's curved shelving mirrors the frame's contour, featuring gently rounded sides and back, to create a soft and organic, cohesive and sculptural design detail.
- Rich Mahogany Finish: The deep, rich color of the wood grain, finished in a warm, mahogany tone, adds depth and character to the piece.
