Davie Slipper Chair Olive

When you want a layout that stays flexible, Davie is the move. This slipper chair module keeps the profile open and the vibe relaxed, creating an easy landing spot wherever you place it. Wrapped in Olive performance-treated polyester, it handles everyday living with quick cleanups and a soft hand. A plywood frame supports foam, feather, and fiber cushions, plus three toss pillows for extra sink-in. Connect it to your modular setup, shift it around, and keep the room feeling current. PFA-free C0 included.

- Open Layout Energy: A slipper-chair module keeps sightlines clear and makes it easy to build a sectional that feels light, not boxed in.
- Performance Polyester: 100% polyester upholstery is treated with C0 technology and is PFA-free, helping resist everyday spills without feeling stiff.
- Supportive Core: A plywood frame pairs with foam, feather, and fiber seat cushions to balance structure and sink-in comfort over time.
- Toss Pillow Finish: Includes three toss cushions for quick comfort and styling, whether you keep it minimal or pile on your favorites.
