Peak Relaxer

Peak

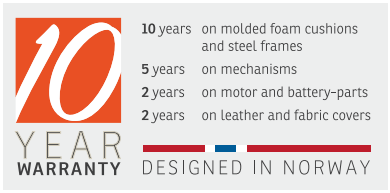

Our Manual and Power Relaxers are an essential basic comfort provider for your home. Whether you choose Manual or Power, you will receive a cosy, practical armchair with an integrated footrest you can operate either using a hand lever or a simple button. The Relaxer by IMG- the chair you will never want to leave.

Allow your relaxation to reach a new level of high with the Peak Relaxer. With slender, elegantly curved armrests featuring exposed laminated wood, Peak possesses its own distinctive style. With minimal stitching detail, the backrest retains a simple look, whilst providing welcoming support and comfort to your back as you recline.

The IMG Promise

Our products are subjected to the highest Norwegian quality standards. Our comprehensive warranty policy is our promise to you that your furniture has been built to last.

Warranty - See warranty policy for more details.

Up to 2 Sizes Available

Sizes vary depending on Manual and Power choices.
See reverse for specific option availability.

Functions - Features

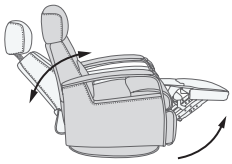

1. **Higher Grade Foam**
   Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.
2. **Comfort-Precision Headrest**
   Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.
3. **Height Adjustable Headrest**
   Enabling the headrest to be adjusted for taller individuals.

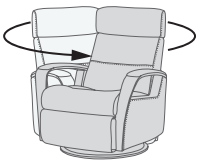

4. **Effortless Recline**
   The back recline and integrated footrest can easily be released and operated manually or upgraded to power.
5. **Steel Interior Springs**
   Located throughout the back and seat provide optimum support whilst cradling the body.
6. **Glide Function**
   Allows the chair to adjust according to your natural body movements, distributing support across the body and reducing tension.
7. **Solid Construction**
   A steel and hardwood frame provides durability and strength.
8. **Swivel Function**
   Enabling you to turn in any direction with ease to ensure you never miss a moment.
9. **New Finger Guard Feature**
   Protective plastic covering over reclining mechanisms to reduce the risk of injury to yourself, children or pets while using the recliner.
