Island Hood

XOMI - MUA

The XOMI island hood is a beautiful combination of glass and stainless steel in a modern design. The hand blown curved glass allows plenty of natural light to filter down to your cooking surface. At XO we believe that good design is something everyone can afford.

What does Make-Up Air Compliant mean?

For the last several years, codes and standards required Make-Up air for domestic range hoods with exhaust rates exceeding a certain limit. The International Residential Code Section M1503.4 and the International Mechanical Code Section 505.2 require Make-Up air for all domestic range hoods in excess of 400 cfm. State, county and local codes may be more restrictive. Always check with your jurisdiction for specific Make-Up air requirements in your area.

Model: XOMI36GMUA

Sizes: 36" **Depth:** 23 5/8"

Features and Benefits:

- 395 CFM high velocity blower optimally removes Smoke, Grease and Odors
- 3 speed electronic illuminated controls
- 15 Minute delay off
- Four 20 W Halogen Lights - Provide brilliant illumination over the cooking surface
- High quality Stainless Steel with incomparable handcrafted Italian finish
- Aluminum Mesh Filters - Trap airborne smoke and grease particles. They can be easily be removed for dishwasher-safe cleaning
- Telescoping duct cover fits 8' to 9' ceilings
- Mounting Height from cooking surface 27"-32"
- Sound level 1.0 - 4.0 Sones

Duct Options and Electrical Requirements:

- 6 inch duct required
- Ductless Option for applications where no ducting is available
- AC 115v—60hz (4amp)

Options:

Optional duct cover extension is available for ceiling heights up to 10 ft tall
Part # XOEDCMI

Optional recirculation kit available
Part # XORFK01
