FEATURES

Door finishes available in stainless steel or powder-coated black or white.

Boost mode delivers rapid heat for 40% faster boil times. The large 5500-watt zone supercharges boost mode to heat even the largest pots.

Sturdy knobs mimic the experience of cooking with gas, offering precision across the temperature range.

Bridge two cooking zones into one larger surface for induction-capable griddles, open roasters, and fish poachers.

Black glass ceramic surface for scratch resistance and easy cleaning.

Dual VertiFlow™ convection system provides reliably even heat, reduces hot and cold spots.

Gourmet mode features nearly 50 presets that automatically control the oven to ensure delicious results

Ten cooking modes, including Bake, Broil, Convection, Convection Roast, Dehydrate, Gourmet, Proof, Roast, Stone, and Warm.

The full-color touch screen is intuitive and easy to read.

LED backlit control knobs illuminate when in use, indicating zones are active.

The oven offers self-clean, delayed start, timed cook, and Sabbath features.

Temperature probe alerts you when your dish has reached the desired temperature.

Three adjustable oven racks: one standard and two full-extension ball bearing racks.

Cobalt blue porcelain interior.

NEW! 36" Professional Induction Range

ZONE RATING

11" (279) Zone	2600 / 5500 W boost
8" (203) Zone (4)	2100 / 3700 W boost
