

KINCAID

DRAWER CHEST

ITEM # 607-215

This is the quintessential chest of drawers. What we imagine when we think of classic, fine furniture. Featuring eight beautifully fitted drawers, the Hadleigh Drawer Chest is exactly what it appears to be, both inside and out. It includes our standard English dovetailed drawers, adjustable soft-close glides, dust-proofing between the drawer interiors, corner-block bracing, floating tops, a hand-rubbed multi-step finish, built-in levelers, and Kincaid's famous solid wood construction (of-course).

- Eight drawers, adjustable levelers, drawer dividers in third and fourth drawers from the top
- Wild Black Cherry

Solid Wood - Made using genuine solid wood construction
