Crisp, clean, and invigorating, with a tactile, sandy finish, it brings a refreshing, revitalising energy to your kitchen. This stand mixer is as much about mood as it is style. Step into the fresh side and let your space feel brighter and more inspiring. But this minty-green beauty of a stand mixer is not all about the looks, it’s built for serious performance. The solid design and long-lasting motor support every culinary whim, while the original planetary action mixes thoroughly with 59 touchpoints around the bowl. This model comes with a 5 Quart stainless steel mixer bowl with handle, as well as another 3 Quart stainless steel bowl for handling extra recipe steps without losing your flow. Also included is a whisk, dough hook, pastry beater, flex edge beater, pouring shield and a scraper for cleaning the pastry beater. A handy cord wrap means you can store the mixer neatly. When you're hungry for new skills, there are lots of optional attachments to explore (sold separately) – all powered by the mixer.
