Materials: Engineered Wood / Glass

Item Weight: 27 lbs.

Nothing beats the sheen of lacquer where decorative elements are concerned, as is evident in the sleek surfaces of the Ivory Lacquer Side Table. Made of wood, the accent table has been covered in the time-honored process that has been valued in interior design for so long. The pale ivory surfaces are rimmed in rich black, and the top is fitted with a square of tempered glass. The plinth base is a design feature of note.
