The Frances Writing Desk brings the elegance of the Jazz Age into your modern space, merging vintage charm with contemporary craftsmanship. Its striking design features a luxurious combination of creamy gray shagreen surrounding the frame, paired with a rich walnut top, creating a sophisticated contrast in both texture and tone. The desk is adorned with bow tie-inspired antique brass drawer pulls, adding a subtle nod to the era's refined style. Slender tapered legs, capped with brass accents, further enhance the desk's sleek, retro silhouette...
