KAD Stand Mixers	Sweets and Dessert Attachments
------------------	--------------------------------------

Are you planning an ice cream sundae bar for a party this weekend, or do you need a scoop of vanilla bean ice cream to top your freshly baked dessert? It's so easy to make ice cream, sorbet or gelato with the KitchenAid® Ice Cream Maker Attachment. Simply attach the bowl to the base of your household KitchenAid® Stand Mixer* to quickly and easily make up to 2 quarts your favorite frozen treats at home. * sold separately, fits all Tilt-Head Stand Mixers, except models KSM3316 and KSM3317; fits all Bowl-Lift Stand Mixers, except models K5SS, KSM5, KSM50, KSM500 and KSM450.

Top Features

- In small batches and enjoy right out the bowl.
