Key Features & Benefits

PrintShield™ Finish

Resists smudges and fingerprints. The specialized coating for stainless steel is easy to clean with just water and a soft cloth, so you can spend more time cooking and less time cleaning up the kitchen.

ProWash™ Cycle

Determines the ideal cycle for washing dishes based on soil level and then makes real-time adjustments to achieve the best cleaning performance.

Durable Stainless Steel Interior

Offers the beauty and benefits of stainless steel for the dishwasher interior. It resists streaks, stains and odors while retaining heat to help improve drying performance.

*Per IEC standards. **Compared to Whirlpool® dishwashers without TotalCoverage spray arm. †Compared to Normal cycle with lightly soiled loads. NOTE: Dimensions are for planning purposes only. For complete details, see Installation Instructions packed with product. Specifications subject to change without notice.
