

STICKLEY®

Surrey Hills Trestle Dining Table

Crafted of quartersawn American white oak, the Trestle Dining Table shows its Arts and Crafts pedigree but with contemporary proportions and scale. A stretcher joins the trestle legs with oversized through-tenons, and inlaid bow-tie joints are used decoratively down the tabletop's center line; the top's ends extend to hold two 16-inch leaves. Clean and versatile, it's a table that will mix easily with other Arts and Crafts styles.
